- b) To promote board continuity and ensure that the board comprises individuals who possess the necessary skills, qualities and experience to collectively contribute to effective board governance.

3. POLICY STATEMENT

A truly diverse Board will include and make good use of differences in age, gender, regional, education and professional background to reflect a broad range of skills and experiences and facilitate a variety of independent opinions. These differences will be considered in determining the optimal composition of the Board and whenever possible, should be balanced appropriately.
- 3.3 In reviewing the Board composition and in identifying suitable candidates for appointment to the Board, the Board Nomination and Governance Committee and the Board will consider the benefits of all aspects of diversity including but not limited to those described above, in order to enable it to discharge its duties and responsibilities effectively.
